

PARTNERING FOR GREEN AND SMART SOLUTIONS

DANISH ROYAL VISIT TO THE NETHERLANDS

20 JUNE – 21 JUNE 2022

Invitation to High Level Danish Dutch Business Day 20 June in The Hague

It is my great pleasure and honour to host the Danish Royal Visit to The Netherlands on 20-21 June 2022 with the participation of Their Royal Highnesses Crown Prince Frederik and Crown Princess Mary of Denmark.

Their Royal Highnesses will be accompanied by Minister for Climate, Energy and Utilities, Dan Jørgensen, Minister for Health, Magnus Heunicke, and a high-level delegation of 30 leading Danish companies under the theme “*Partnering for Green and Smart Solutions*”. These companies represent some of the largest and most innovative Danish players within the fields of Offshore Wind Energy & Power-to-X, District Heating & Energy Efficiency and HealthTech & MedTech.

On behalf of the organising committee, I would like to invite you to this high-level business conference on:

20 June 2022 from 8.00 to 13.15
at The Hague Conference Centre New Babylon (1st floor)

Please register through [this link](#) before **13 June 2022**. For further information, please find the program below as well as a list of the Danish companies, you will meet.

We look forward to your participation!

With kind regards

Jarl Frijs-Madsen
Ambassador of Denmark

Program

08:00 – 09:00 Registration and Welcome Coffee

Kindly note that registration closes at 08.30

09:00 – 09:30 Grand Opening

Official Opening speeches by

- Mr. Jarl Frijs-Madsen, Ambassador of Denmark to the Netherlands
- Mr. Steen Hommel, State Secretary for Trade and Global Sustainability
- H.R.H. the Crown Prince of Denmark
- Mr. Rob Jetten, Minister for Climate and Energy Policy
- Mr. Dan Jørgensen, Minister for Climate, Energy and Utilities

09:30 – 09:40 Break

09:45 – 10:00 Welcome Remark by very high level representative of the Dutch government

10:05 – 10:45 Cross Sector Seminar: The Future is Digital

Under this headline, an engaging cross sector seminar is taking place to spark discussion among leading stakeholders and to inspire the following elements of the program.

- Opening speech by Mr Magnus Heunicke, Minister of Health, Denmark
- Keynote by Ms. Manon van Beek, CEO of TenneT
- Panel Discussion with an opening statement and moderated by Ms. Ingrid Thijssen, President of VNO-NCW, MKB Nederland the Confederation of Netherlands' Industry and Employers

Panelists:

- Ms. Manon van Beek, CEO of TenneT
- Ms. Nana Bule, Chairman of the Danish Digitalisation Council, Digitaliseringsrådet, and CEO of Microsoft Denmark and Iceland
- Mr. Rasmus Errboe, Senior Vice President Ørsted Offshore, Continental Europe
- Mr. Bert Seegers, CEO of Orikami

11:00 – 11:55 Sector Specific Seminars

District Heating & Energy Efficiency

Keynotes and a panel debate on “Energy security and natural gas displacement in the built environment”. Members of the panel will provide Dutch and Danish perspectives on how to respond to the current energy crisis. It will be possible to ask questions to the panel.

Keynotes:

- Mr. Kristoffer Böttzauw, Director General of the Danish Energy Agency

Offshore Wind Energy and Power-to-X

Keynotes and panel debate themed “Scaling up offshore wind energy and Power-to-X”. Private and public stakeholders from both the Netherlands and Denmark will, via keynotes and in a moderated panel debate, provide their perspectives on e.g. how increased electrification, better sector coupling and Power-to-X can facilitate a faster expansion of offshore wind energy. It will be possible to ask questions to the panel.

HealthTech & MedTech

Panel Debate on “Smart Hospital and Future Healthcare” presented by the Royal Crown Princess (TBC). Members of the panel will include the Secretary General of The Ministry of Health, Welfare, and Sport of the Netherlands, representatives of Dutch innovative hospitals, as well as Danish and Dutch companies. It will be possible to ask questions to the Panel.

Opening remarks by H.R.H. the Crown Princess of Denmark
